Tru-Chek Rain Gauge

Measures 0.01" to 6" or 0.5 to 150mm of Rainfall

The Rain Gauge is a smooth, one-piece molding of heavy, weather-resistant plastic. The permanent markings are clear and easy to read.

ESPECS:

- Wedgeshaped Gauge is 13"L and has a top opening of 2-1/2"W x 2-1/4"D
- Not for use in extreme low temperatures.
